EXPERIENCE

Tactile Games	UI Designer Contract Remote	Jan 2024 - Jun 2025
• Designed and implemented an internal “Slicer” tool to optimize asset slicing for Unity, reducing asset preparation time. • Proactively introduced the team’s first AI-assisted tools for asset creation, improving efficiency across the UI production pipeline. • Delivered scalable UI components and visual assets supporting live features and frequent content updates.		
Mobination Games	Lead Artist Freelance Remote	Nov 2021 - Dec 2023
• Led and owned the complete visual vision of a tower defense game, defining the visual style and art direction from concept development through final in-game implementation. • Delivered an end-to-end, production-ready visual package covering UI/UX, gameplay visuals, 2D and 3D assets, animation, VFX, and promotional materials.		
Huuuge Games	Graphic Designer - Animator Contract Remote	Nov 2020 - Mar 2021
• Designed and animated 2D UI and visual assets for a custom slot game within a regulated social casino environment. • Used 3D workflows to generate and optimize 2D assets and animations, improving visual consistency and production efficiency. • Delivered compliant, production-ready UI and animation assets within strict technical, visual, and regulatory constraints.		

Den of Imagination	3D Sculptor - Collectibles Freelance Remote	Jun 2020 - Aug 2020
- Delivered production-ready character sculpts for collectible figurines within a print-focused pipeline. - Met strict quality standards for proportions, surface detail, structural integrity, and print-readiness. - Maintained high quality and delivery speed under tight deadlines and rapid iteration cycles.		
AT Advertising Agency	Graphic Designer Contract	Oct 2014 - Dec 2015
- Awarded 2nd place in a regional client tender with an independently developed design concept. - Secured leadership approval and delivered a corporate interior mural, strengthening brand identity and team engagement.		
Teyon	Graphic Designer-Animator Contract	Jan 2012 - Jan 2013
Produced and animated 2D cutscenes for a hidden object game, delivering narrative-driven visual storytelling.
